## DC Motor Controller Series

## USES

Control of brush motors, series motors for electric tricycle, electric machinery and equipment, recreation vehicle, floor sweeper, system, ceramic machine, throwing cars, brick car, clean cars, solar boats

## PRODUCT DETAIL LIST

(Total 9 kinds)

				Product name: Brush DC Motor Controller Product type: SDZ	1
				Product name: Brush DC Motor Controller Product type: ZD-600S	2
				Product name: Prevent Runaway Brush DC Motor Product type: ST-3SG	3
				Product name: Brush DC Motor Controller Product type: ZD-400S	4
				Product name: Brush DC Motor Controller Product type: ST-1S	5
				Product name: Brush DC Motor Controller Product type: ST-3S	6
				Product name: Brush DC Motor Controller Product type: ST-3D	7

Product name: Cruise Brush DC Motor Controller  
Product type: ST-3SC

8

Product name: Brush DC Motor Controller  
Product type: ZD-600D
